

MyCareCorner Self-Registration

The MyCareCorner patient portal provides patients with access to their electronic health record. You, as the patient, can self-register for the MyCareCorner patient portal by going to [MyCareCorner.net](https://mycarecorner.net) and creating an account. Once you have an account, you will need an invitation code (as seen in Step 8 in the Self-Registration section) to access your health record and those of your family members. Contact your healthcare provider (hospital or clinic) to request a registration invitation for MyCareCorner.

Self-Registration

1. To self-register, enter [MyCareCorner.net](https://mycarecorner.net) into your browser window.
2. The Welcome page is displayed. In the **New User** section, click **Sign Up**.

3. The Create Account screen is displayed.

4. Enter your First Name, Last Name, Sex, and Date of Birth.

5. Enter the Email and Password that will be used to manage this account. Then, enter the characters you see in the CAPTCHA field.

The screenshot shows a form titled "Create an Account to Manage This Record". It contains the following fields: "Email" with the value "maria.smith@email.com", "Password" with masked characters, "Confirm Password" with masked characters, and a CAPTCHA field with the characters "zFtK8E". A "Create Account" button is visible at the bottom.

6. Click the link to read the **Terms and Conditions** of the patient portal. Check the **I agree to the Terms and Conditions** box and click **Create Account**.

The screenshot shows a checkbox labeled "I agree to the Terms and Conditions" which is checked. Below it, a note states: "Your name and any other information you provide are held in strict confidence." At the bottom, there are two buttons: "Create Account" (highlighted with a red box) and "Cancel".

7. To complete your account setup, verify your record access and click **Allow**.

The screenshot shows a screen titled "MyPortal is requesting access to information in MyCareCorner". It lists the types of information being requested: "Access 87 types of health information", "View health info", and "Add or change health info". On the right, there is a dropdown menu for "Select the record that MyPortal will be able to access" with "Maria Smith" selected. Below this, there are "Allow" and "Cancel" buttons. The "Allow" button is highlighted with a red box.

8. The Patient Dashboard is displayed. To obtain access your health record, contact your healthcare provider (hospital or clinic) and request a registration invitation for MyCareCorner.

The screenshot shows the MyCareCorner Patient Dashboard. It features a dark blue sidebar with navigation options: Home, Health Record, Lab Results, Medications, Messages, and Notification Settings. The main content area is divided into sections: "Weight" (No data exists in the chosen time period), "Blood Glucose" (No new data available), "Messages" (Inbox/Sent tabs, No information available), "Encounters" (No information available), and "Medications" (No information available). A "Need Help?" link and a user profile icon are in the top right.
